**REMARKS/ARGUMENTS**

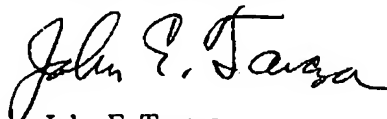

Applicants wish to thank the Examiner for the helpful interview today where the above amendment was discussed. Specifically, the language from claim 55 was incorporated into claim 51 and claim 68 was canceled without prejudice. As indicated by the examiner, these changes render the present application allowable.

The above amendments are being made without prejudice to the filing of one or more continuing patent applications containing the same or similar claim language.

In view of the above amendments and comments, the claims are now in conditions for allowance and applicants request a timely Notice of Allowance be issued in this application.

If needed, applicants petition for sufficient extension of time for consideration of this paper. The commissioner hereby is authorized to charge payment of any fees, including extension of time fees, under 37 CFR § 1.17, which may become due in connection with the instant application or credit any overpayment to Deposit Account No.500933.

Respectfully submitted,

John E. Tarcza
